The Art of Voice Acting Jan 12 2022 Wow! I am reading your book *The Art of Voice Acting*, and I want you to know it was worth way more than the cover price! The insights into the business, the A-B-Cs... it's all incredibly helpful. I was told by a producer in Vancouver, B.C., to get your book, he called it "The Voiceover Bible." He was so right! Gord Brooks Voice Services (Canada) Thank you for such a wonderful book! Your sense of humor is delightful, the content is superbly detailed and your encouragement throughout is greatly appreciated. I wanted to let you know just how first-rate I think *The Art of Voice Acting* is. I have taken two (2) Master classes in the past year-and-a-half but I got more practical information in just the first few chapters of your book than from the seminars. Thank you again for sharing your expertise. Daria M. Dutzmann, voice actor Just a note of thanks for your excellent book *The Art of Voice Acting*. I had the opportunity to do some radio spots today---and for the first time, started to touch on "voice acting" instead of "voice over." This really made a difference in my read---and the director was delighted! Eric Funk, President, Entertainment on Hold, Inc. I have been a successful voice over for about 10 years and recently bought and read *The Art of Voice Acting*. I must have been guided to do it! It was like receiving a (gentle) kick in my behind, spurring me to get reorganized, regvanized, newly inspired because---to say the truth---I was sitting on my laurels doing very little to perfect my skills or bring new life to my career. Now I feel full of new energy. This is what I call an inspired purchase!" Anna Rigano, professional voice actor (UK)
